

Perfume Atomizer

Press. Mist. Impress.

Company Introduction

Established in Changzhou in 2004, Jascopack Group is a leading cosmetic packaging manufacturer with over 20 years of experience, trusted by more than 120 global brands for high-quality, innovative packaging solutions. We specialize in perfume atomizers, cosmetic pens, lipstick tubes, and related products, providing integrated services covering research & design, production, quality inspection, and timely delivery.

Our two factories span 30,000 m², powered by a dedicated team of over 150 skilled employees plus more than 200 production machines – 80% automated for maximum efficiency and consistency. We produce over 5 million units every month, with a strict 100% quality inspection on every item to ensure premium quality.

As an Alibaba Verified 5-Star Supplier for 13 consecutive years, we're committed to reliability, fast response, and flexible support. We offer free samples for stock colors and rapid logo visualization within one hour, helping clients accelerate decision-making and speed up market launch.

Certified to ISO9001 and ISO14001, sEDX audited, compliant with FDA 21 CFR, BPA-Free, COA, REACH, RoHS, EU food-grade standards, and MSDS approved, we meet the highest global quality and safety benchmarks.

With proven OEM partnerships with leading brands worldwide, Jascopack is ready to be your trusted packaging partner.

Let's work together to fill the world with beauty & fragrance.

Why Choose Us

1/ 22 years of experience in cosmetic packaging.

We started our cosmetic packaging business in 2004, bringing over 20 years to expertise to every project.

2/ 30,000 m² across two factories & 150+ skilled employees.

We operate two factories totaling 30,000 square meters, supported by over 150 skilled employees.

3/ 13-year Alibaba Verified 5-Star Supplier.

We have been an Alibaba Verified 5-Star Supplier for 13 years straight.

4/ 200+ production machines, 80% automated processes.

We are equipped with over 200 production machines, featuring 80% automated processes for efficiency and consistency.

5/ 5M+ monthly capacity, with 100% quality inspection.

We have a monthly production capacity of 5M+ units, with 100% strict quality inspection for each item.

6/ Free samples & fast 1-Hour Logo visualization.

Free samples are available for stock colors, with rapid logo visualization provided within 1 hour for design confirmation.

7/ Certified ISO9001, ISO 14001, SEDEX audited.

Compliant with FDA 21 CFR, BPA-Free, COA, REACH, RoHS, EU food-grade standards, and MSDS approved.

8/ A trusted OEM partner for leading brands.

We have established long-term OEM partnerships with leading global brands.
